# What is the Community Law Program?

The Community Law Program was founded by local attorney members of the St. Petersburg Bar Association in 1989 to address the unmet civil needs of the poor in our community.

## What is our goal?

Our goal is to expand access to the legal system for those financially unable to afford legal representation. Local attorneys offer their assistance at our several legal clinics and in the direct representation of clients, receiving no financial compensation for their pro bono efforts.

## Funding

- LSC subgrant
- Pinellas County & City of St. Petersburg
- Florida and St. Petersburg Bar Foundations
- Pinellas Community Foundation
- Tax-deductible donations and annual dues

## Other Services

### Community Counsel

Volunteer attorneys assist qualified non-profit organizations with their incorporation and other legal matters. (727) 582 - 7480

### Community Education

Volunteer attorneys will speak to groups on a variety of legal subjects to educate the public regarding their legal rights and responsibilities.
